

2017-2018: Salton Sea Advisory Committees

Proposed Structure + Meeting Framework

Updated 5/30/2017

10-Year Management Plan Advisory Committee 2017-2018 Goals

- Provide advisory feedback to the State of California to advance implementation of the 10-Year Management Plan, including problem solving on project implementation and funding
- Develop a broader community outreach plan to share information with and solicit input from the broader publics interested in the Salton Sea
